

## INDEX TO VOL. VIII.

	PAGE
ADDAMS, HOMER, Disc. on Tests of Heating Plants, 197; on Contracts for Heating to 70° in Zero Weather.....	218
Address of the President .....	7
Architects' Charges, Report of Committee on .....	23, 25
BARRON, HUGH J., Disc. on Vapor System of Heating, 150; on Proportion of Grate to Radiating Surface.....	173
BARWICK, THOMAS, Paper XCIII., <i>Hospitals for Contagious Diseases and Their Ventilation</i> .....	61
BLACKMORE, J. J., Disc. on Depreciation and Maintenance Charges, 87; on the Tenth Anniversary Meeting, 212; on a Laboratory for Technical Research, 215; on Contracts for Heating to 70° in Zero Weather.....	218
BIGGS, W. W., Disc. on Contracts for Heating to 70° in Zero Weather.....	219
BOLTON, R. P., Paper XCV., <i>Depreciation, Maintenance and Interest Charges</i> .....	82
BROOMELL, A. P., Disc. on Tests of Heating Plants, 192; on a Laboratory for Technical Research, 213; on Improving the Capacity of a Radiator by Using an Electric Fan.....	222
Building Materials, Coefficients of Thermal Conductivity of. Papers XCVI, XCVII.....	89, 94
CARPENTER, R. C., Paper XCVII., <i>Loss of Heat Through Walls of Buildings</i> .....	94
CHEW, FRANK K., Disc. on the Tenth Anniversary Meeting .....	203
Contracts and Specifications, Report of Committee on .....	39
Depreciation, Maintenance and Interest Charges, Paper XCV., by R. P. BOLTON.....	82
EISERT, H., Paper XCVIII., <i>The Performance of Fans under Actual Working Conditions</i> .....	106
Election of Officers, Report of Tellers .....	32
Electric Fans, Used to Improve Capacity of Radiators .....	222
Fans, Performance of under Working Conditions, Paper XCVIII., by H. EISERT .....	106
Flues, Smoke, Need of Adequate .....	171
FOWLER, A. H., Disc. on Vapor System of Heating .....	153
French System of Heating .....	148
GORMLY, JOHN, Disc. on Hospitals for Contagious Diseases, 66; on Tudor System of Heating, 148; Paper CI., <i>A Time Limit and Dry Walls Necessary in Testing a Heating Plant</i> , 183; Disc. on Heating Ovens with Oil in Coils .....	213

## INDEX TO VOL. VIII.

	PAGE
ADDAMS, HOMER, Disc. on Tests of Heating Plants, 197; on Contracts for Heating to 70° in Zero Weather.....	218
Address of the President.....	7
Architects' Charges, Report of Committee on .....	23, 25
BARRON, HUGH J., Disc. on Vapor System of Heating, 150; on Proportion of Grate to Radiating Surface.....	173
BARWICK, THOMAS, Paper XCIII., <i>Hospitals for Contagious Diseases and Their Ventilation</i> .....	61
BLACKMORE, J. J., Disc. on Depreciation and Maintenance Charges, 87; on the Tenth Anniversary Meeting, 212; on a Laboratory for Technical Research, 215; on Contracts for Heating to 70° in Zero Weather.....	218
BIGGS, W. W., Disc. on Contracts for Heating to 70° in Zero Weather.....	219
BOLTON, R. P., Paper XCV., <i>Depreciation, Maintenance and Interest Charges</i> .....	82
BROOMELL, A. P., Disc. on Tests of Heating Plants, 192; on a Laboratory for Technical Research, 213; on Improving the Capacity of a Radiator by Using an Electric Fan.....	222
Building Materials, Coefficients of Thermal Conductivity of. Papers XCVI, XCVII.....	89, 94
CARPENTER, R. C., Paper XCVII., <i>Loss of Heat Through Walls of Buildings</i> .....	94
CHEW, FRANK K., Disc. on the Tenth Anniversary Meeting .....	203
Contracts and Specifications, Report of Committee on .....	39
Depreciation, Maintenance and Interest Charges, Paper XCV., by R. P. BOLTON.....	82
EISERT, H., Paper XCVIII., <i>The Performance of Fans under Actual Working Conditions</i> .....	106
Election of Officers, Report of Tellers .....	32
Electric Fans, Used to Improve Capacity of Radiators .....	222
Fans, Performance of under Working Conditions, Paper XCVIII., by H. EISERT .....	106
Flues, Smoke, Need of Adequate .....	171
FOWLER, A. H., Disc. on Vapor System of Heating .....	153
French System of Heating .....	148
GORMLY, JOHN, Disc. on Hospitals for Contagious Diseases, 66; on Tudor System of Heating, 148; Paper CI., <i>A Time Limit and Dry Walls Necessary in Testing a Heating Plant</i> , 183; Disc. on Heating Ovens with Oil in Coils .....	213

	PAGE
Grate Surface, Proportions of, to Radiating Surface .....	173
HAMLIN, A. S., Disc. on Proportions of Grate to Radiating Surface..	173
HARVEY, ANDREW, Disc., on the Tenth Anniversary Meeting, 203 ; on Contracts for Heating to 70° in Zero Weather.....	220
HAUSS, C. F., Translation of Paper XCIV., 74 ; Disc. on Vapor System of Heating .....	151
Heat, Loss of, Through Walls of Buildings, Paper XCVII.....	94
Heating Buildings with Damp Walls .....	183
Heating by Hot Water .....	161
Heating Ovens by Oil in Coils.....	213
Heating to 70° in Zero Weather.....	218
Heating Systems, Tudor and French Heating Plants, Tests of.....	183
Heating, Temporary, of a Large Hall, Paper XCIV .....	74
Hospitals for Contagious Diseases, Paper XCIII., by THOMAS BAR- WICK .....	61
JELLET, S. A., Disc. of Report on Professional Charges, 29 ; on Hospitals for Contagious Diseases .....	68
KENDRICKEN, P. H., Disc. on Tests of Heating Plants.....	200
KENT, WM., Disc. on Depreciation and Maintenance Charges, 86 ; on Advantage of Broad Grates and Shallow Firing, 166 ; Pro- posed Experiment on Hot-air Furnaces, 170 ; on Tests of Heating Plants, 191 ; on the Tenth Anniversary Meeting, 205 ; on a Lab- oratory for Technical Research.....	215
Legislation, Compulsory, Report of Committee on .....	19
LYMAN, C. M., Disc. on Fireboxes in Heating Furnaces.....	169
MACKAY, WM. M., Disc. on Hot-water Heating System, 161 ; on Advantage of Deep Fires in House Heating.....	166
Membership, Requirements for, Discussion .....	36
METER, PROF. EDWARD, Paper XCIV., <i>The Temporary Warming of the Large Hall of the Royal and Imperial Palace Library in Vienna</i> .....	74
Officers, Election of, Report of Tellers .....	32
OLDACRE, C. E., Disc. on Advantage of Deep Fires in House Heating, 167 ; on Tests of Heating Plants.....	199
PAUL, A. G., Disc. on Tudor System of Heating, 149-154 ; on Hot- water Heating System.....	163
PAYNE, JOHN A., Disc. on Tests of Heating Plants.....	197
RECK, A. B., Paper XCVI., <i>Coefficients for the Thermal Conductivity of Building Materials Obtained by Peclet and Later Experi- menters</i> .....	89
Report of the Board of Governors.....	18
Report of the Committee on Compulsory Legislation.....	19
Report of the Committee on Professional Fees.....	23
Report of the Committee on Proposal Blanks.....	35
Report of the Committee on Standards.....	33
Report of the Committee on Tests.....	51
Report of the Committee on Uniform Contract .....	39
Report of the Secretary.....	15
Report of the Treasurer .....	17

	PAGE
Research Laboratory, Need of .....	213
RUTZLER, ENOCH, Disc. on the Need of Adequate Smoke Flues .....	171
SARDOU, M., Disc. on Duration of Tests of Heating Plants, 192; on Contracts for Heating to 70° in Zero Weather .....	219
SNYDER, C. B. J., Disc. on the Need of Adequate Smoke Flues, 172; on Tests of Heating Plants .....	190
SWITZER, W. H., Disc. on the Tenth Anniversary Meeting .....	209
Tenth Anniversary Meeting, 1904, Proposed .....	203
Tests of a Heating Plant, Necessity of Time Limit and Dry Walls, Paper CI. ....	183
Time Limit Necessary in Testing a Heating Plant, Paper CI., by JOHN GORMLY .....	183
TOPICAL DISCUSSIONS, ANNUAL MEETING:	
1. The Tudor System of Heating .....	148
2. Vacuum in Engines Due to Using Exhaust for Heating Water..	160
3. Economy of a Hot-water Heating System .....	161
4. Advantage of Broad Grates and Shallow Firing .....	166
5. Necessity of Adequate Smoke Flues .....	171
6. Proportions of Grate to Radiating Surface .....	173
TOPICAL DISCUSSIONS AT THE SEMI-ANNUAL MEETING:	
1. The Tenth Anniversary Meeting, 1904 .....	203
2. Heating Ovens with Oil in Coils .....	213
3. The Need of a Laboratory for Technical Research .....	213
4. Contracts Specifying Heating to 70° in Zero Weather .....	218
5. Improving the Heating Capacity of a Radiator by Using an Electric Fan ..	222
TRACHSEL, J. C. F., Disc. on Vapor System of Heating .....	153
Tudor System of Heating, Topical Discussion .....	148
WEBSTER, WARREN, Disc. on Vapor System of Heating .....	157
WILSON, J. J., Disc. on Tests of Heating Plants .....	196
WOLFE, W. F., Disc. on Time Limit and Dry Walls in Tests of Heat- ing Plants, 189; on the Tenth Anniversary Meeting .....	204
Vapor System of Heating, Topical Discussion No. I .....	148
